The Miami CFAR invites you to
HIV & Aging in the era of ART and COVID19,
an Inter-CFAR Virtual Meeting

Three sessions over two days, February 8 and 9, 2021!

Keynote Presentation by Steven Deeks, MD

1. Inflammation, metabolism, and epigenetics in aging: Defining the effect of HIV on aging

- Cornelia M. Weyand, MD, PhD
- Derya Unutmaz, MD
- Heidi M. Crane, MD, MPH
- Michael S. Saag, MD

2. Geroscience and Senolytics: Potential for clinical trials in Aging PWH

- Eric Verdin, MD
- Laura Niedernhofer, PhD
- George Kuchel, MD, CM, FRCP
- Jean-Pierre Routy, MD, FRCPC

3. COVID19 outcome: What is different in Aging PWH versus Aging without HIV

- Davey Smith, MD, MAS
- Galit Alter, PhD
- Giovanni Guaraldi, MD

*The Inter-CFAR
Meeting will include a
mentoring session
and community
discussion.*

Abstract Opportunity for Early Stage Investigators and Post-Doctoral Fellows: The Miami CFAR would like to invite you to submit an abstract for consideration of presentation during the Inter-CFAR meeting on February 8 and 9, 2021.

- Submissions should include: A 250-word structured abstract that contains background, methods, results, and conclusions related to the 3 main session topics being presented
- Abstracts will be reviewed and selected for oral presentation or poster presentation during the symposium. Monetary awards and certificates will be given to the top three (3) oral presentations.
- Submit entries to cfar@med.miami.edu by **5:00 pm, December 31, 2020**
- Notifications of abstract dispositions will be made by January 15, 2021.
